Aurora, CO 80047

Thank you for your interest in VWEC. VWEC is a car club open to any person who is enthusiastic about Volkswagens. You do not need to own a Volkswagen to be welcome at VWEC. VWEC is a club that provides members support with their efforts to celebrate, preserve and creatively recycle all Volkswagens, regardless of type, year or condition. We love and enjoy these exceptional vehicles and the extraordinary people who, for a variety of reasons, feel passionate about them.

VWEC is the region's oldest ongoing VW car club. Along with our sponsors, VWEC produces one of the largest all VW cars shows in Colorado. Since the first one in 1994, The **Volkswagens on the Green** event each May is now well known nationally having been featured in national magazines and in the local news. Club activities may include technical clinics, show and shines, cruises, car shows, and parties. As a member, you will receive a monthly newsletter and be networked with likeminded Enthusiasts who support your goals.
